DIY Hamsa Hand Decoration Kit

QUICK START GUIDE & INSTRUCTIONS

KAIZEN - MINDFUL CRAFTING

⚠️ SAFETY & PROTECTION

- **Protect Your Space:** Acrylic paint can stain surfaces and fabrics. Cover your workspace with newspaper, cardboard, or a plastic tablecloth.
- **Child Supervision:** Adult supervision is recommended for young children while painting.

🎨 PRO TIPS FOR BEST RESULTS

- **Base Coat:** Apply thin, even layers of white paint rather than one thick coat for a smoother finish.
- **Gold Flakes:** Very delicate! Try lightly when taking them out of the pot as they stick to everything.
- **Gems:** Ensure background is completely dry before sticking on embellishments.

Step-by-Step Instructions

1. **Prep Your Palette:** Squeeze a small amount of white paint onto your paint palette.
2. **Paint the Base:** Using your paintbrushes, apply an even coat of white paint over the wooden Hamsa hand and wood beads. Allow it to dry completely.
3. **Add Gold Accent Flakes:** Add a second thin layer. While the top layer of paint is slightly wet/tacky, or by lightly dabbing tiny bits of wet paint, apply pieces of gold leaf flakes using a dry brush. Gently press and smooth them down into place.
4. **Decorate with Gems & Pearls:** Peel the self-adhesive transparent gems and white pearls from their backing sheets and press them firmly onto your dried Hamsa hand to form your desired decorative patterns.
5. **Attach the Tassel:** Thread the loop of the tassel with wooden beads through the bottom hole of the Hamsa hand and secure it into place.
6. **Add the Hanging String:** Loop the hanging string through the top hole of the Hamsa hand and tie a secure knot at your desired length.
7. **Display Your Artwork!** Your handcrafted wooden Hamsa hand is complete and ready to hang on a wall, door, or display proudly in your home!
